

MOE'S CATERING CREDIT PROGRAM

HOW IT WORKS:

Your organization will receive a code to be shared with its members and their family and friends - each time they visit any of our 11 Western PA Moe's locations and use your code, you'll receive 20% of their purchase back toward your catering credit! The code must be entered in the app prior to making a purchase and can be applied to an online order or scanned at the register in-store to make sure the value of the order goes toward your group's credit.

For example: If your organization code was used on \$1,000 in orders, you will receive a \$200 catering credit.

GUIDELINES:

- The "collection period" can begin as soon as your organization is approved and group code is generated (typically about one week) and can be for as little as one month, or up to six months.
 - The code will only be valid for the identified collection period and will be determined based on when the group would like to use the credit.
- Credit total is determined based on the pre-tax, post discount total of all orders that applied the group code at check-out.
- Your credit can be used in any way your organization needs, including feeding your group/team, concession stand or event food, teacher appreciation, etc.
- Please allow up to one week from the collection period end date to receive your catering credit total.
- Once you receive your credit, you may place a catering order for your organization at any time by contacting the Western PA Catering Team at 724-816-4945 or catering@bigplangrp.com.
 - Credits do not expire and do not need to be redeemed at once. Any unused credit will continue to roll over for the group to use as needed.

Please note: Catering credits cannot be combined with any discounts or promotional offers.
Catering and gift card purchase receipts are not eligible for credit.

VALID ONLY FOR THE FOLLOWING WESTERN PA LOCATIONS:
